# AUGUST

Students at Emory H. Markle Intermediate School worked hard last year on their goal of improving reading and math achievement on the PSSAs. This motivational bulletin board was a daily reminder to students of the goals they had set for the year.

Molly Glover traveled to Fairview High School in Fairview, PA, to perform her painting for the elementary, middle, and high schools. That evening she also performed for the 18th Annual "Adopt an Artist" Art Auction. Her piece, along with about 50 other "professional" artists' pieces, was auctioned off to the highest bidder. The selling price of Molly's piece set a record for the 18 year event when it sold for \$2,000.00!

The South Western High School and Emory H. Markle Intermediate School chapters of the Technology Student Association (TSA) performed extremely well at the 2010 TSA State Conference. Over 1200 students from across the state competed in various technology-related events. This photo shows the result of our students' hard work and dedication in the form of certificates, pins, and trophies, including two state champions.

### "Forgotten"

I remember a time  
 when I was just a child  
 and I was the center  
 of the world.

But now I am forgotten  
 my name is not mentioned  
 and I am just a name  
 on a list of names.

Forgotten  
 you have left  
 me behind this morning  
 although I should be just like  
 you and every day.

My love for you is fading and forgotten  
 but I don't remember when you were  
 and I don't know how long  
 it will take for me to  
 forget you and every day  
 never wanting to let you go.

But I have not forgotten  
 the way that you  
 look at me  
 the way that you  
 smile at me  
 the way that you  
 love me.

But I have not forgotten  
 the way that you  
 look at me  
 the way that you  
 smile at me  
 the way that you  
 love me.

### SUSAN'S SUSAN'S

McKenzie Sprague  
Grade 8

The wind blows,  
 I shiver, and see one of two people being torn apart.  
 I just being the single one of a nation,  
 And soon everything around me goes dark.  
 I become numb,  
 And soon a number of children come walk around me  
 It doesn't happen for a long time  
 When it finally does, I feel what  
 Been come and pollute my soul  
 Remember come and sit upon my heart  
 Now again, the spinning they look across the grass,  
 And soon are as all as I  
 They are watching their own,  
 To try to reach the sun  
 And soon after summer has finished,  
 The wind blows again.

Your swaying branches,  
 They look like a green sea  
 as the birds fly  
 Your majesty  
 Tall, with one branch  
 That reaches the top  
 Like a castle's flag  
 Your jungle-like leaves  
 Tied together in braids of  
 Hanging down and gently  
 My shoulders.  
 Then winter comes,  
 Always hits hard,  
 Always aces,  
 Your swaying branches  
 become a frozen's

**NONDISCRIMINATION POLICY** – It is the policy of South Western School District not to discriminate on the basis of sex, creed, handicap, or race in its educational programs, activities, or employment policies as required by Title IX of the 1972 Educational Amendment and by section 504 of the Rehabilitation Act of 1973.

Small group guided reading instruction during West Manheim Elementary School's Pony Power intervention period helped to increase reading proficiency to 77.2% this year.

The South Western School District is dedicated to providing a continually improving educational environment, through a cooperative effort with the family and the entire community, in which all students are encouraged and expected to achieve their full potential, to express themselves clearly, to think reflectively, and to interact responsibly in preparation for lifelong personal growth.

*Adopted October 24, 1990*

*Revised March 25, 2002*

## **Our Beliefs**

- All students are unique, can be successful and are entitled to a quality education that will help each to reach his or her greatest potential.
- Quality education requires the cooperation and support of students, parents, staff, and the community.
- Responsible behavior is nurtured in a learning environment that provides opportunities for students to make and be held accountable for their decisions.
- Quality education provides a myriad of learning opportunities that helps each student develop confidence, teamwork, and compassion for others.
- The school environment must always be safe and promote the ideals of respect for others, a strong work ethic, and self-discipline.
- The utilization of new methodologies and technologies are essential to providing students a quality education in a constantly changing world.
- Effective teaching addresses individual differences, promotes self-esteem, and encourages students to maximize education opportunities.

*Adopted September 25, 1996*
