

South Western School District: Making a Difference

Each summer while students are home enjoying their vacation our custodial and maintenance staff make a difference in preparing our schools to look shiny and new for the new school year.

First Day of School (K-9 only)

School Begins (Gr 10-12)

Our bus drivers make a difference by forming relationships with the students on their buses. They also ensure their safety through semian-
nual safety drills that remind students of evacuation procedures in case of an emergency.

The school board makes a difference through the countless hours they spend in support of the education of our students. Many people don't realize that these nine board members are volunteers who receive no compensation for the work they do.

SWSD Dollars for Scholars "Make a Difference" Campaign takes place for a week in April each year. Various fundraising activities will be taking place during the week, with several area restaurants contributing a percentage of receipts for a given day to South Western School District's Dollars for Scholars. Thanks to these sponsors for making a difference in 2011.

NONDISCRIMINATION POLICY – It is the policy of South Western School District not to discriminate on the basis of sex, creed, handicap, or race in its educational programs, activities, or employment policies as required by Title IX of the 1972 Educational Amendment and by section 504 of the Rehabilitation Act of 1973.

SOUTH WESTERN SCHOOL DISTRICT MISSION STATEMENT

The South Western School District is dedicated to providing a continually improving educational environment, through a cooperative effort with the family and the entire community, in which all students are encouraged and expected to achieve their full potential, to express themselves clearly, to think reflectively, and to interact responsibly in preparation for lifelong personal growth.

*Adopted October 24, 1990
Revised March 25, 2002*

Our Beliefs

- All students are unique, can be successful and are entitled to a quality education that will help each to reach his or her greatest potential.
- Quality education requires the cooperation and support of students, parents, staff, and the community.
- Responsible behavior is nurtured in a learning environment that provides opportunities for students to make and be held accountable for their decisions.
- Quality education provides a myriad of learning opportunities that helps each student develop confidence, teamwork, and compassion for others.
- The school environment must always be safe and promote the ideals of respect for others, a strong work ethic, and self-discipline.
- The utilization of new methodologies and technologies are essential to providing students a quality education in a constantly changing world.
- Effective teaching addresses individual differences, promotes self-esteem, and encourages students to maximize education opportunities.

Adopted September 25, 1996
